1.	Put some related previous research from reputable source and international recognize journal.	Related previous research have added in some paragraph at introduction.	Page 5 and 6
2.	What is the research question? What is the theoretical framework used and how is it conceptualized in the context of the study?	The research question added at introduction and we repeated at 1 st paragraph in part result and discussion.	Page 6 and 7
3.	Objective 3, as promised, resulted to a conceptualization of a procedure to the patterns of hoax busting in the group but to which framework do we peg this against? Do we just accept it as it is without it being compared to a larger schema of health disinformation frameworks? Aside from finding out the pattern, would it be wiser to	We have edited the model.
